

Extended International Dialing Authorization

I, _____, agree to be charged by Junction Networks, Inc. dba OnSIP ("OnSIP"), for calls beyond the standard calling area. **I understand that I will be charged for calls based on dialing prefix and length of call in minutes.**

Prices for calls to each available dialing prefix can be found at: <http://onsip.com/extended-calling-area>

I am aware that the prices I will be charged, as well as the maximum limits set forth below, are subject to change at any time without notice, and it is my responsibility to review the prices currently in effect and published at the pricing pages listed above.

I understand that the prices are based on dialing prefix. Country names in the price list are provided solely to help in identification.

I am aware that the following maximum limits have been put in place for the protection of my OnSIP account:

- One hundred (100) minute maximum call duration per call, before the call is automatically terminated without warning.
- Ten dollar (\$10.00) maximum dollar allowance per calendar day. Should this maximum daily limit be exceeded in any given calendar day, your ability to place another extended international call will be denied until the next calendar day.
- I understand these restrictions do not imply a liability on the part of Junction Networks, Inc. and that I/we am solely responsible for all extended international call charges incurred.

Should you exceed your daily maximum dollar allowance as stated herein, or wish to modify the above daily call allowance, please contact Support@onsip.com.

I further authorize OnSIP to charge the credit card on file on my account listed below. Should the payment method change for any reason, I understand that I will continue to be charged for calls made using my account.

Please email this form to extdialform@onsip.com or you may fax it to (267) 396-8941.

This authorization will extend until I/we cease our relationship with Junction Networks, Inc.
